

Inspired by the vision and legacy of JB Founder Bob Hageman, **JB Serves** works in partnership with the **Hageman Foundation of Hope** to make the greatest impact possible in the communities we serve.

SERVING TO ENRICH COMMUNITIES

Grant Application

Our Focus

Over the years, JB has worked to maximize the impact of our charitable giving. As we revisited our company's mission, vision, and values, we identified opportunities to better align our giving efforts with our long-term strategic direction.

This focused approach is not a reflection of the value or importance of any organization. Rather, in a time of increasing needs and finite resources, it reflects our commitment to building strategic partnerships that enable us to create the greatest and most sustainable impact over time.

Our Objective

At the heart of every decision we make is the **JB Way**, the enduring foundation of our company built on respect. Central to the JB Way is **community respect**: the understanding that JB and our associates have a shared responsibility to help strengthen and support the communities we serve.

We honor this commitment by operating with integrity, treating our business partners ethically, adhering to all laws and regulations, and remaining mindful of the needs of our communities. By living these values every day, we work to create meaningful, lasting impact for the people and places we serve.

Enriching Communities Mission Statement

Impacting communities by equipping our youth to make a difference.

There are many organizations that we give back to throughout the year that fulfill our mission and are **primarily focused around two key support areas**:

1. Enhancing educational programs that inspire youth development to empower individuals for a life of service and significance.
2. Support nutritional programs that provide resources to youth which develop positive life habits.

Although 'youth' is a broad term, our focus will be on our youth ages 5-18.

“Expecting the best from everyone you interact with and praising them for their accomplishments, brings as its reward, extraordinary results from ordinary people.”

— BOB HAGEMAN, FOUNDER & CHAIRMAN

Grant Application

The following information must be complete in order to be considered for funds:
